

Maywood, CA.

Fire/IncendioFruitlandMagnesium

The Los Angeles County Department of Public Health (Public Health), US Environmental Protection Agency (USEPA), and LA County Fire's Health Hazardous Materials Division (HHMD) will host a tele-briefing to provide elected officials and their deputies an update on the unified command's response and efforts and with critical information on what they need to know to effectively communicate to the public on the Fruitland Magnesium Fire Incident.

Los Angeles County Public Health will address community health concerns and information; HHMD will provide information about the incident background and USEPA will provide an update on the assessment and cleanup of homes. The Los Angeles County Office of Emergency Management will address its work with residents that have been affected by the relocation and the preparation for recovery efforts.

WHEN: Thursday, June 23, 2016
Time: 10:00 a.m. - 11:00 a.m.

WHERE: Call: (888) 230-5498

Participants are strongly urged to call in 5 minutes prior to the start time of the call to check in. Participants will need to provide their name and organization.

WHO: Public Health, USEPA and HHMD experts will be available to answer questions.
